

I love this chapter ^^

Well, you'll see why when you read it

This earl

TALKING
LIKE THIS
TO AN
ADULT!

...!!!

WELL
PLEASE
STOP!

STAY
STILL!

A RUDE
GIRL NEEDS
TO BE
DISCIPLINED!

IF YOU DON'T
STOP, I
CALL THE
POLICE!

Um...
Excuse
me...

I might be
caring
unnecessarily
but

Don't you
think adding
in the middle
of the rain
is too much?

Well, if she's
your daughter
I can't say
anything,
but...

Is she's
not.

This is
bad, right?

I wasn't sure what kind of relationship you had with that man so I couldn't not help

For a
short while
One-san
stayed
like that

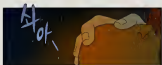

without
telling me
not to
cry

or to
cry with
all my
heart

It's my friend's voice!

Here's love this

El?

What will Orensan do?

Oren-san!

Thanks!

When you wet horses dry your hair
if you don't,
you'll be
sick in the
future.

And
what
thanks?

I didn't
do anything.

It was for Mabel

Happy birthday Mabel

I felt sorry that she grew up with that kind of a father

Mabel is 17 years since she was born.

Her happy moments were what years no, what days what times?

That's right! Summer! Do you "celebrate"?

Some-some's birthday party!

Ah, that's right!

What should we do for a present?

Should we give him a pair of new shoes?

That's silly!

It May
doesn't have
any happy
days

Days that will be
able to think
of as happy
will arrive
